This guy will CATCH your eyes, sired by EXPEDITE and out of a BWANA CHEX daughter. He is beautiful in every way, brindled all over, BLUE ROAN and multi color, built like a tank with extremely nice conformation, thick boned, perfect disposition, and loves to hang around with us. Very intense pedigree on top and bottom with a daughter of COWBOY UP CHEX as a Great Dam on the maternal side. Take a look at his offspring...they are FABULOUS,
