Registration 1: CI290703
Sale Price: \$2,500.00
Breeder: Pace Cattle Co. LLC
Owner: Jack and Karin Roper

Courtesy of Hudson Longhorns

Everyone needs a red cow in their pasture, so let it be a great one. This deep bodied cow is built like a tank, beautiful set of horns, wonderful disposition, and produce colorful offspring. Stacked with some great genetics like PCC Rim Rock, JP Rio Grande, Gunman, and Lamb's Power Play to just name a few. Starr has given us 2 beautiful heifers that last 2 years which we are retaining in our herd.
